*Wheel of Fortune News: Susan Stafford Statement on the Pat Sajak Retirement Announcement- Leaving the Show at the End of This Year 2023*

LOS ANGELES, CALIFORNIA, USA, June 17, 2023 /EINPresswire.com/ -- Susan Stafford, Wheel of Fortune's first letter turner, and Pat Sajak's co-star, resigned from the show on her own free will in 1982 and was replaced by Vanna White who still remains forty years later. She has made this statement about Sajak leaving the show this year.

" Pat Sajak and I worked almost eight months together on "Wheel of Fortune" and we did two road shows. On one trip to Florida, I almost fell off the boat and Pat caught me because that's the type of guy he is." said Stafford.

More about Susan Stafford:

Susan Stafford was the original hostess on the Wheel of Fortune Show with host, Chuck Woolery for 7 years. She was the first woman on a game show to get a microphone, the first woman to make her own clothing deal and the first woman to be nominated for an Emmy on a game show. After Woolery left, Sajak was brought in. After almost 8 months, Stafford wanted to take her life in a different direction so instead of renewing her contract, she resigned.

After leaving "Wheel of Fortune", Stafford worked with cancer, leprosy, AIDS, CoVid and now helps people deal with the depression and anxiety of our broken world.
