Heartless Bastards

Tickets will be scarce; luckily, Heartless Bastards will be touring throughout the summer, providing ample opportunities to catch them live. Heartless Bastards' live performances are guaranteed to leave a lasting impact on attendees, delivering both contemplation and a spirited sense of defiance.

Frontwoman Erika Wennerstrom says, "For me, music is a gift—I do it because I love it and because it helps me feel more connected to the world. I think we all long for a deep connection, and I hope this record adds to the conversation on how we, as a species, can stop seeing ourselves as separate. I hope it helps everyone to think about how we can look out for each other, take care of each other, and lift each other up."
