The importance of faith in Jesus Christ and through faith you can accept and understand the depth of miracles.

These testimonials are phenomenally inspiring and utterly inspirational. This amazing book highlights her journeys, real-life experiences, and supernatural outcomes of some extenuating circumstances. Miracles are based on the manifestation of God's power. Faith can be as small as a mustard seed to see the miracle of Jesus Christ in your life. Hope had a lump removed from her left breast in 2017 and found a 3-inch scar under her breast in 2021. It felt like time had stopped. Hope prayed over a glass of water from the pipe and after a few days vomited up a large piece of flesh.
