

VisibilityOne & Stefanini join forces to extend unparalleled video conferencing solutions to clients across the globe

VISIBILITYONE EMBARKS ON A STRATEGIC PARTNERSHIP WITH STEFANINI TO ELEVATE VIDEO COLLABORATION MONITORING AND MANAGEMENT SERVICES WORLDWIDE

LOS ANGELES, CALIFORNIA, UNITED STATES, June 20, 2023

/EINPresswire.com/ -- [VisibilityOne](#), a trailblazer in unified communications and video collaboration monitoring solutions, is excited to announce its strategic partnership with [Stefanini](#) Group, a global technology giant. This partnership focuses on delivering cutting-edge monitoring and management services for video collaboration, fortifying communication infrastructure for businesses worldwide.

Enhancing The MS Teams Video Experience

VisibilityOne's unrivaled, cloud-based monitoring solutions feature proactive alerting, and advanced algorithms, well being vendor-agnostic. These capabilities empower IT teams with crucial insights into devices and applications, allowing businesses to preemptively tackle issues, thus ensuring uninterrupted communication. In collaboration with Stefanini, VisibilityOne will extend its state-of-the-art video collaboration services to a wider audience. This alliance aims to address the soaring demand for reliable and efficient video conferencing solutions, a trend accelerated by the Covid-19 pandemic.

Jose De La Paz, CEO of VisibilityOne, commented on the partnership, "VisibilityOne's mission has always been centered around perfecting collaboration experiences. Partnering with Stefanini, a company with an extensive global reach and a shared commitment to innovation, enables us to impact more businesses around the world. Through this partnership, we are positioned to revolutionize the way professionals engage in video collaboration, optimizing efficiency and cost-effectiveness."

"VisibilityOne is a true pioneer in video collaboration service management, and we're thrilled to

The live end-to-end monitoring of Microsoft Teams Rooms residing within our global video estate gives us vital hardware and network health stats that are needed for quick and easy resolutions.”

Fortune 100 IT Director

launch a new service offering to our clients through this joint effort,” said Shayne Quaas, director of innovation & digital business at Stefanini. “Innovation is a core part of our identity at Stefanini and this joint venture allows us to expand our existing services as well as form new relationships rooted in digital transformation and co-creation.”
