ALBION, MICHIGAN, UNITED STATES, June 19, 2023 /EINPresswire.com/ -- [Wildflower Crossing](#) Community, owned by Four Leaf Properties, announces an event for employers looking to find attainable homes for growing workforces. “Businesses and organizations need quality housing options to attract employees and drive growth,” said Michael Callaghan, Managing Partner at Four Leaf Properties. “There has been a fundamental shift in the housing market driven by lack of affordability and changing buyer needs. Housing products are advancing with factory-built options that mirror site-built homes. The homes are constructed with the same materials and deliver key features which buyers are seeking including smart home technology for energy-savings and luxury options providing the ‘wow’ factor.

Callaghan stated that buyers are also seeking a lifestyle experience where amenities and community events foster connections and relationships. “All of this makes for stability in the workforce and longevity for businesses,” said Michael Callaghan.

Wildflower Crossing is a new community, launched in mid-2021. Phase 1 of the community, offering 100 home sites, is selling out now. This first phase also includes a playground for the kids and a dog park. The second phase is under development with move-in ready homes available in late Summer 2023. Homes at Wildflower Crossing are modern and energy-efficient with 3 or 4 bedroom/2 bath floor plans. All homes have outdoor living space, driveways, and

The event will be held on Wednesday, June 21st, 11:00am-1:00pm at Wildflower Crossing, 1642 Alyssum Court, Albion Michigan. Attendees can tour homes and hear the vision for Wildflower Crossing, which is breaking ground on Phase 2 home sites, along with a five-star amenity center for residents. A ribbon cutting will take place and refreshments will be served.
