Children's Show- "The Pig Club" July 13th, 2023 1pm - 2pm

FKA Margate's Best Summer Camp,
7352 W. Atlantic Blvd., Margate, FL 33063

Children's show, The Pig Club, is filming live at Family Knowledge Action Martial Arts, in Margate, Florida on July 13th, 2023 – 1pm to 2pm. MEDIA INVITED

The live action Pig Club show allows every child in the audience a chance to be crowned the winner. Every child gets to sing songs, cheer, exercise and participate in the fun.

Children compete in four fun filled competitions to be crowned, 'Pig of the Week'. These include: pie eating, mudslinging, pig trivia and pig poise. The Pig Club is entertaining and funny, but the messages of the skits and songs are much greater.

Karham and Rachsow and Rebacon

The characters in the show include King T-Bone- the wise leader of the club; Lenlard- a workout enthusiast; Sgt. Pork- defender of patriotism; Karham- a “hammy” performer reminiscent of Britney Spears; Rachsow- a genius pig who teaches the value of education and Rebacon- the happy and enthusiastic Pig Club cheerleader.

This fun interactive show features competition and participation while educating with messages of exercise, nutrition and family values. There is an

obesity epidemic in the United States and no one has made a dent in addressing the problem. This show is needed now, more than ever.

The [percentage of children](#) and adolescents with obesity has more than tripled in the U.S. since the 1970's. Adults also will benefit from the messages of the show, as the rates of American adults with obesity has increased from 30.5% in 1999 to 41.9% in 2020. Healthcare costs can only decrease if we have healthy citizens.

The show is geared towards children ages 5 to 11, but has many “wink wink” jokes that are entertaining for all ages. It is a throwback to great children’s programming of the past and promises to fill the gap left by TV icons Fred Rogers and Captain Kangaroo.

“There is a need for a wholesome show that focuses on educating kids in a fun and clever way,” says health educator Mike Marine of Delray Beach, Florida, who founded the Pig Club when he was a junior high school student. He published, “The Daily Grunt” and now, years later, he’s bringing The Pig Club show to children. The show teaches self-respect, treating people right and the benefits of exercise and nutrition by combining a powerful educational message with humor and audience participation.
