To apply for the Dr Charles Noplis Scholarship, students must be currently enrolled at a university in the United States. High school students who will attend university for a medical degree are also eligible. The scholarship will be awarded based on an essay competition, with one deserving student selected based on a creative essay of less than 1,000 words answering the following question: "Who is your biggest inspiration in medicine and how would you add to their contributions with your medical degree?"

The scholarship honors [Dr. Charles Noplis](#), a highly skilled psychiatrist with more than ten years of experience in the field. Dr Charles Noplis earned his B.S. in Biology from the University of Kentucky in 2001, graduating Magna Cum Laude. He then attended the University of Louisville School of Medicine, where he earned his medical degree in 2008. Dr. Noplis completed his Residency Program in 2012 at the University of Louisville Department of Psychiatry and earned his ABPN Board Certification in Psychiatry in 2013. He also earned his ABPM Board Certification in Addiction Medicine in 2019. Dr. Noplis has been the CEO and President of Noplis Psychiatry since May of 2017 and has served at Seven Counties Services as an outpatient provider since the beginning of 2020.

"We are thrilled to announce the [Dr. Charles Noplis](#) Scholarship for Medical Students," said Dr. Noplis. "Through this scholarship, we hope to support and encourage the next generation of medical professionals who will continue to advance the field with their innovative ideas and dedication to patient care."

The deadline to apply for the scholarship is June 15, 2023. The winner will be announced on July 15, 2023.

The scholarship offers financial assistance and recognition to those who have the potential to make a positive impact in the field of medicine. The scholarship winner will have the opportunity to showcase their skills and creativity through their essay, sharing their biggest inspiration in medicine and how they would add to their contributions with their medical degree.
