

Contemporary Paintings by Erin Redlin Benson on Exhibit at Zoot Gallery

BOZEMAN, MONTANA, UNITED STATES, June 28, 2023 /EINPresswire.com/ --

The Zoot Art Gallery in Bozeman is pleased to announce its upcoming exhibit presented by Erin Redlin's collection of works inspired by her experiences living in Montana and North Dakota. A native of Northwestern North Dakota, now residing in Belgrade Montana, Erin has been a creative and adventurous person since she can remember. Her upbringing on their family farm ignited her love of the outdoors while providing her with the time and space to embark on her varied creative outlets.

Redlin's artwork is varied and eclectic with a strong emphasis on color with added abstraction. Many of her paintings are scenes from her everyday life, as well as memories from the farm she grew up on in North Dakota. She often depicts feelings and emotions from those moments with an impressionistic feel, using unexpected color palettes to add vibrancy, dramatic lighting, and fun to the animals and faces in her compositions.

The exhibit will be on view from July 5 through September 28, 2023, with a public opening reception Thursday, July 13, from 5-7 pm at Zoot Enterprises.
