

RX-O2 Hyperbaric Clinics to Open New Location in Scottsdale, Offering Innovative Treatment for Long COVID and Anti-Aging

Scottsdale residents are invited to experience the incredible healing potential of oxygen under pressure starting July 1

PHOENIX, ARIZONA, UNITED STATES, June 21, 2023 /EINPresswire.com/ -- RX-O2 Hyperbaric Clinics, a trusted provider of [hyperbaric oxygen therapy](#), is thrilled to announce the opening of their new location in Scottsdale on July 1. With over 17 years of experience, RX-O2 has been dedicated to providing oxygen under pressure to the local community and expanding access to hyperbaric medicine for various treatment indications. The new clinic will offer a wide range of services including the treatment of long COVID, anti-aging, and health optimization.

Hyperbaric oxygen therapy (HBOT) has long been recognized for its healing properties. While traditionally used for non-healing wounds, this revolutionary treatment has proven to have numerous benefits for overall health and wellness. By exposing patients to 100% pure oxygen in a pressurized environment, HBOT promotes healing, reduces inflammation, and improves the quality of life.

According to recent studies, HBOT has shown promising results in the treatment of long COVID symptoms. Research indicates that this therapy can [alleviate the persistent fatigue](#), brain fog, and respiratory issues experienced by individuals with long COVID, helping them regain their vitality and overall well-being.

In addition to long COVID, RX-O2 Hyperbaric Clinics is excited to offer treatments aimed at anti-aging and health optimization. Hyperbaric oxygen therapy has been shown to [promote collagen production](#), improve skin tone, and enhance the body's ability to heal itself. By rejuvenating cells and reducing oxidative stress, HBOT can slow down the aging process and leave patients feeling revitalized.

"Our mission at RX-O2 Hyperbaric Clinics is to restore and promote health, wellness, and quality of life through Hyperbaric Oxygen Therapy," said Alexander Borsand, MD, Clinic Safety Director and Head of Business Development. "We are excited to expand our services to the Scottsdale community, and we believe that our state-of-the-art clinic and highly trained medical team will provide exceptional care for individuals seeking a boost in their health routine."
