

# Subscription and Recurring Billing Management App by Inogic helps Businesses Improve Customer Experience & Reduce Churn

NEW YORK, UNITED STATES, June 21, 2023 /EINPresswire.com/ -- [Inogic](https://www.inogic.com), a leading provider of innovative solutions for Microsoft Dynamics 365 CRM, is thrilled to introduce its game-changing [Subscription and Recurring Billing Management](https://www.inogic.com) solution. Designed to revolutionize the way businesses handle their subscription-based revenue models.

With the rise of subscription-based models, managing recurring payments, invoicing, and subscriber information has become increasingly complex. Manual efforts often lead to errors, inefficiencies, and disputes. To overcome these challenges, businesses require a seamless and efficient billing experience that improves operational efficiency.

“

We're thrilled to unveil our comprehensive Subscription and Recurring Billing Management solution, aimed at tackling the numerous hurdles faced by SAAS-based businesses.”

*Inogic CEO, Roohi Shaikh*

Managing subscriptions and recurring billing has always been a complex and time-consuming process for businesses of all sizes. However, with the Subscription and Recurring Billing Management app, those challenges are a thing of the past.

"We're thrilled to unveil our comprehensive Subscription and Recurring Billing Management solution, aimed at tackling the numerous hurdles faced by SAAS-based businesses," said Roohi Shaikh, CEO of Inogic. "We understand the daunting challenges organizations

encounter while manually handling recurring billing operations. Our mission is to streamline this process, save our customers valuable time, and boost their revenue. With our robust solution,

the entire subscription lifecycle is automated and simplified, empowering businesses to excel at their core competence—delivering exceptional customer service!"

Business insights are crucial for making data-driven decisions, and Subscription and Recurring Billing Management App provides organizations with valuable revenue management insights. It helps businesses better manage their recurring revenue streams, forecast future revenue, and identify growth opportunities. Furthermore, the tool offers scalability, allowing businesses to easily adapt to changing needs, whether expanding customer bases or launching new products.

Key features of Subscription and Recurring Billing Management solutions include:

- Seamless Subscription Management: Effortlessly create, manage, and modify subscriptions with just a few clicks.
- Flexible Billing Operations: With multiple pricing models and proration rules, it enables users to bring flexibility to billing processes.
- Automated Invoicing and Payments: Say goodbye to manual invoicing and payment tracking and improve cash flow.
- Advanced Analytics and Reporting: Gain valuable insights into your subscription business with comprehensive analytics and reporting. Indicate business health through detailed reporting of important SaaS metrics such as MRR, ARR, ARPU, Churn Rate, CLTV, etc.
- Automate Tax Calculation: Automate tax calculation for Quote, Opportunity, Order, and Invoices with Tax Schedules by integrating Microsoft Dynamics 365 CRM with Avalara AvaTax.

It's time to end your subscription woes with the new-age Microsoft Dynamics 365 CRM Subscription and Recurring Billing Management app by Inogic!
