SINGAPORE, July 5, 2023 /EINPresswire.com/ -- The [Chartered Institute of Professional](https://www.charteredcertifications.com)

[Certifications \(www.charteredcertifications.com\)](https://www.charteredcertifications.com), a globally recognized provider of certified executive programs and conferences, is delighted to announce the launch of its latest certification program, the Certified Sustainability Reporting Manager (CSRMTM). This comprehensive program has been developed in collaboration with sustainability experts and industry leaders, aiming to equip professionals with the skills and knowledge needed to excel in the field of sustainability reporting and management.

“

Sustainability reporting plays a crucial role in today's business environment, and organizations are increasingly expected to be transparent and accountable for their environmental and social impact.”

*Bok Yan Lo*

Throughout the intensive CSRMTM program, participants will explore a wide range of critical topics, including the

introduction, key principle, concepts and frameworks for sustainability reporting, data collection and management, communication strategies, performance measurement, assurance, verification, report integration, strategic decision making, and more. The curriculum integrates real-world case studies and practical exercises to provide participants with hands-on experience in sustainability reporting practices.

"Sustainability reporting plays a crucial role in today's business environment, and organizations are increasingly expected to be transparent and accountable for their environmental and social impact." said Bok Yan Lo, Managing Director of the Chartered Institute of Professional Certifications. "Our CSRMTM program specifically caters to the need for expertise in sustainability reporting by equipping professionals with the necessary knowledge and skills to thrive in this dynamic and constantly evolving domain."

The CSRMTM program is designed to meet rigorous standards and is recognized globally for its

quality and relevance. Participants can choose from flexible learning options, including [on-demand](#) self-paced online modules or [live](#) instructor-led classes, allowing them to tailor their learning experience according to their preferences and schedule.

Upon completion of the CSRM™ program, graduates will receive the Certified Sustainability Reporting Manager (CSRM™) designation, a trademarked credential that is globally recognized and demanded by companies and organizations across the industry and is exclusively granted to professionals who have successfully passed our accredited program. The program has also been independently certified and accredited by CPD, adhering to the highest standards of Continuing Professional Development principles.
