STUDENT(S): "Thank you so much Page for your guidance, leadership, and valuable time! I thoroughly enjoyed "TLC" and learned some amazing life lessons. I can't wait to see what the future holds!" ~ TLC student (age 16).

"I came to really find that new bit of confidence in myself and really assert myself over others, not in an overly dominant way but just a way to get my feelings and ideas across."

"The biggest thing I got out of Teen Leadership for me personally is Public Speaking. I had a

massive fear of public speaking, a fear of messing up, in any sort of feeling of fear of Public Speaking now, is completely gone. I can talk to a crowd of people, and I will feel no fear at all to messing up."

PARENT(S): "Thank you Page for the valuable life lessons you've offered my son. We know you have helped brighten his future!"

"I have seen my son during his time working with Page Parkes just really blossom. He has become a more confident, happy, and successful version of himself. I can't believe the way he has learned to articulate a vision for himself and have an idea of where he wants to go and also how to get there."

In summary, attendees are encouraged to take a deep dive into their fears and limiting beliefs, walking away with a renewed sense of purpose and accountability.
