

VIPERA BREAKS NEW GROUND WITH AN EXCLUSIVE FINANCING OFFER ON BITMAIN ANTMINER S19 90TH/s

Vipera unveils unmatched financing for Bitmain Antminer S19 50% deposit, 12-month 0% interest balance, and in-house credit score approval for all.

UNITED STATES, June 21, 2023

/EINPresswire.com/ --

Vipera, a trailblazer in the cryptocurrency mining solutions sector, has announced an unmatched financing offer on the industry's heavyweight, the [Bitmain Antminer S19 90TH/s](#). In an unparalleled move, customers are invited to make a deposit of only 50% upon ordering, with the balance deftly spread over 12 months post-delivery, remarkably, at 0% interest.

Shattering industry norms, Vipera's exclusive offer is a seismic shift, opening up the sphere of top-tier crypto-mining technology to a wider audience. The [Bitmain Antminer S19 Financing](#), a marquee name renowned for its unmatched hashrate and stellar energy efficiency, is now within reach of miners at all levels.

In a marked display of Vipera's commitment to democratizing the crypto-mining landscape, this extraordinary offer is bundled with an assurance of in-house approval for all credit scores during the verification phase. By lifting one of the most formidable barriers miners encounter when venturing into premium hardware investment, Vipera underscores its unwavering customer-centric philosophy.

Commenting on this avant-garde initiative, a Vipera spokesperson stated, "Our mission is to ensure that world-class mining technology is accessible to everyone. Our unique financing offer

The advertisement features a blue background with a faint image of a Vipera storefront. At the top left is the Vipera logo. The main heading reads "BITMAIN" in large white letters, followed by "EXCLUSIVELY ANTMINER S19 90TH/S" in a blue banner. Below this, two blue banners announce "50% DEPOSIT UPON ORDERING" and "EXTENDED 12-MONTH PAYMENT TERMS". To the right is a high-resolution image of the Bitmain Antminer S19 90TH/s mining unit. At the bottom, three icons represent specifications: a document for "Hashrate: 90Th/s", a lightning bolt for "Power: 3105W", and a speaker for "Noise level: 75db". A blue "ORDER NOW" button is positioned above a row of payment logos (American Express, Mastercard, Visa, Discover). A disclaimer states: "Please note that the price of the miner is subject to change without notice. For the latest pricing information, please contact us." The website "WWW.VIPERATECH.COM" is at the bottom right. Below the ad, the text "Bitmain Antminer S19 90TH/s 3105W" is displayed.

for the [Bitmain Antminer S19](#) is crafted to level the playing field, fostering wider participation in the burgeoning crypto economy."

With this game-changing offer, Vipera doesn't merely eclipse its competitors—it empowers its customers with premium hardware coupled with a financial model that enables them to maximize their operations without the strain of conventional financial constraints.

Vipera warmly extends an invitation to all interested parties, regardless of their credit score, to capitalize on this unique opportunity, and catapult their mining venture into a more profitable realm.
