

# Arizona College of Nursing Now Enrolling Students in Chesapeake, Virginia

PHOENIX, AZ, UNITED STATES, June 22, 2023 /EINPresswire.com/ -- [Arizona College of Nursing](#) is now enrolling students at its Chesapeake, Virginia, campus. This new campus location will help address the state's growing demand for qualified Registered Nurses (RNs).

According to the Virginia Employment Commission, Virginia will need 7,746 additional registered nurses by 2028. As many nurses retire and leave the [profession](#), more nursing students need to graduate to handle the need for medical care. The college's accelerated BSN program offers students a chance to earn their degree in three years or less with qualified transfer credit.

“

Our new campus, with dedicated resources and a student-centric approach to education, will provide students an opportunity to pursue rewarding careers in nursing.”

Nursing*

"We are excited to be able to help meet the increasing demand for registered nurses with a 3-year BSN program," said Dr. Mary Martin, DNP, Dean of Nursing for Arizona College of Nursing's Chesapeake Campus. "Our new campus, with dedicated resources and a student-centric approach to education, will provide students an opportunity to pursue rewarding careers in nursing and help address the state's need for RNs."

Students will experience a mixture of classroom learning and hands-on training through simulation labs and clinical

rotations. Small class sizes will provide the opportunity to receive individual attention and form relationships with faculty and classmates. The Chesapeake campus will also offer support services, including tutoring, open lab time, counseling services, career development services, and opportunities to join student nursing associations.

The campus is located at 545 Beldaire Ave, in Chesapeake, Virginia, and will serve students in the Chesapeake and Hamptons Road regions. This will be the 16th campus location for the college

and the second campus in Virginia.
