The Reaper's Dance is an educational non-fiction account that is authoritatively referenced with contemporary fact sources. It analyses and explains the pandemic in an easy-to-understand way, making it the perfect resource for anyone looking to learn more about biology and public health policy aspects of the COVID-19 pandemic.

With *The Reaper's Dance*, The Iyer Clinic hopes to provide a much-needed resource for understanding the pandemic and its effects on our world. This book is a must-read for anyone who wants to be informed about the biggest health crisis of our generation.

The Iyer Clinic is a Primary Care medical practice that is part of Loudoun Medical Group, Northern Virginia's premier physician-driven healthcare multi-specialty group. The Iyer Clinic devotes its work to healthcare delivery and public education about all matters related to health or health policy that may impact the health of populations.
