

# Aviation Week Network Wins Four Aerospace Media Awards in Paris

PARIS, FRANCE, June 22, 2023

[/EINPresswire.com/](#) -- [Aviation Week Network](#), a division of Informa, serving the global aviation, aerospace and defense industries, today announces it has been recognized for four distinguished [Aerospace Media Awards](#).

The Aerospace Media Awards celebrate the very best in aviation journalism and publishing and were presented to Aviation Week Network at the Aero Club de France gala in Paris on June 18, the evening before the opening of the Paris Air Show.

The recognized work includes:

- Best Digital Submission: The Check 6 podcast, a weekly program that features insights from Aviation Week editors and data analysts
- Best In-depth Aviation Feature: Senior Editor Guy Norris for an article that delved into the trials and tribulations faced by Boeing over 787 production problems and efforts to correct them
- Best Sustainable Aviation Submission: Contributing writer Angus Batey, for his look at how UK aerospace is juggling investment goals to secure a role in sustainable aviation
- Bill Gunston Technology Writer of the Year: Patrick Veillette and Business and Commercial Aviation

Greg Hamilton, President, Aviation Week Network said, "It's an honor to receive these prestigious awards. We're extremely proud of our editorial team. They are committed to serving the essential and complex aviation and aerospace community with the trusted and actionable information it needs to succeed in an ever-changing landscape."
