

WITNESS A CLASH OF COSMIC DOMINANCE IN DARIN GRAVES' LATEST SCIENCE FICTION MASTERPIECE "2112"

Author Darin Graves returns to lure readers into a futuristic alternate reality of a leviathan regime and galactic combat

ETOBICOKE, ONTARIO, CANADA, June 22, 2023 /EINPresswire.com/ -- Taking inspiration from Neal Peart and Canadian rock band Rush's overture, [2112](#), author Darin Graves transforms the musical piece into a revolutionary dystopian world in his recent novel of the same title, forging a visceral and spellbinding experience for his readers and the song's enthusiasts alike.

2112 by Darin Graves

The nine-chapter book chronicles the unfolding circumstances of a planet regulated by a governing body called the Priests of the Temple of Syrinx. After wiping out the prior commanders and bolstering territory for the new order through galactic bloodshed, the Priests keep the remaining populace under tight leashes. Apart from art created by the new authority, all forms of individual art are prohibited and punishable by law. Shoved to the edge, mankind is left with the option to either fight to the death or submit their lives.

Darin Graves' masterful way with words is apparent in his intricate and gripping narration of the story's premise. By utilizing elements of screenplay and novel writing, he distinctively fleshes out every point of the plot, offering an engaging and engrossing reimagination.

Readers who delight in short yet captivating space fantasy will surely be hooked on this book, packed with ample touches of action, angst, and thrill. While fans of the song may find themselves enthralled with this vivid adaptation.

Indulge in this riveting futuristic odyssey. Get a copy of Darin Graves' 2112, available in

paperback, and digital format on [Amazon](#), Barnes & Noble, and other book depositories worldwide.

About [Bookside Press](#):

Bringing stories and ideas to life, one tap at a time.
