## ABOUT THE AUTHOR

Eduard is a creative saxophonist who wrote this baffling book as a satire manual that includes an ancient God and a true revolution. As a child, he taped on a Russian machine jammed music programs on short waves from Radio Free Euro and Voice of America. Twenty years later in Transylvania, he found it limited the radio of his gigging van to one tune on long waves called Romania Regional. In the 80s Eduard promoted American jazz on unknown radio on ultra-waves. The saxophonist did a solo run in the 2014 general elections. He made no compromise and received no help. The 250,000 signatures form remained almost blank. These articles document the position of a journalist. What he had gained as they did not vote him president.

Eduard had his previous promotional activities at Smithson Folk Life Fest 99. He also had a TV Interview on Spotlight Network with Logan Crawford, <https://www.youtube.com/watch?v=gl7nujld6ro>.
