

Kormoski & Associates LLC. Announces Sage and Corpay Complete Payment Solution for the Construction Industry

Corpay Upload Application for Sage Intacct

TENNESSEE, UNITED STATES, June 29, 2023 /EINPresswire.com/ -- Kormoski & Associates LLC. Announces Sage® and Corpay® Integration to Create a Complete Payment Solution for the Construction Industry

Kormoski & Associates LLC. (K&A), a leading provider of accounts payable (AP) and payment automation solutions for Sage 300 CRE & Sage 100 Contractor, and Corpay, a FLEETCOR company and global leader in business payments, announced today "[Corpay Upload Application for Sage Intacct](#)", Payment Automation is now integrated with Sage Intacct.

Kormoski & Associates LLC

Through the newly developed "Corpay Upload Application for Sage Intacct", K&A and Corpay Payment Automation (formerly Nvoicepay) provide a complete AP solution for Sage Intacct. Allowing Sage Intacct users the opportunity to use Corpay payment solutions.

K&A's Sage automation integration allows customers like contractors, commercial developers and property managers to replace checks with electronic payments. This functionality supports increased efficiency and profitability, while delivering better visibility into cash flow.

"We are excited to partner with Kormoski & Associates LLC to equip Sage customers with the Corpay Upload Application for Sage Intacct," says Melody Williams, VP, Sales Strategy & Operations at Sage Intacct.

Corpay securely stores and maintains supplier data on its customer's behalf. Corpay mitigates the risk of fraud by taking responsibility for qualified payments that issue through its system. By removing mundane, manual tasks from AP's workload, companies can improve their operational efficiencies.

"We are excited to partner with Kormoski to equip Sage 300, Sage 100 and Sage Intacct customers....with the Corpay Payment Automation tool," says David Vieregg, Corpay Channel Partners President. "Here at Corpay, we are committed to delivering value to companies through scalable payment technology that is customized to meet their unique needs and streamline their payments processes."

"Corpay Upload Application for Sage Intacct" provides the opportunity to send more secure payments through the Corpay network of over 850k+ suppliers. With multiple electronic payment methods, subcontractors and vendors can choose how they want to receive payment while working directly with Corpay's supplier services team for day-to-day support.
