Fraser's methodology is a comprehensive approach to integrating all aspects of a person's Financial Life into one holistic " Life Plan ".

The concept of complete " Total Money Planning " can help a person attain financial as well as psychological security and Wellness in Retirement.

The Goal is for a person to have true financial " Peace of Mind " in Retirement, where they don't worry about their Money.

They spend and enjoy it, knowing that their Money and their Legacy are secure.

The psychological benefits of having financial Peace of Mind in Retirement are comforting and priceless.

It's all about Wellness in every facet of a person's Life.

Fraser's 5 Step " Life & Legacy Plan " is customized for each individual, based on their situation.

Like the four legs of a table as a sturdy foundation, Fraser focuses on four core areas of a person's Money :

Retirement Planning  
Health Care Expenses  
Income Tax  
Estate Planning.

Taking diligent care of his Client's Money, their Health Care expenses, and their Legacy is what Fraser does as his Clients' financial shepherd.

In sum, Fraser's " Life and Legacy Plan " coordinates and then synergizes all of a person's Financial, Tax and Estate Planning issues, like spokes in a wheel.

So that a person can enjoy their Money, their Health, their Independence, and their Legacy, and not worry about them, or worse ... lose them.
