Since 2010, Broward Batman visits local Children's Hospitals and orphanages to bring smiles to children in need, as well as raising awareness of Autism, Childhood Cancer, and Bullying. Broward Batman strives to make a positive impact in the world by empowering kids to become a local Hero and instilling them with the desire to do good and help others in need. They strive to 'Change the world, one child at a time'. Broward Batman and his Batmobile join the Mystic Force Foundation at all of their events to bring joy and happiness to children battling cancer and their families.

The Mystic Force Foundation was founded in 2008 by Dr. Steven & Silvia Vanni after their then 4-year-old son, Salvatore, was diagnosed with Stage IV Neuroblastoma Cancer. Salvatore lost his battle with cancer in 2011 but his legacy continues to change the lives of all children battling this devastating disease. This year is the Foundation's 15-year Anniversary of raising awareness and desperately needed funds for Childhood Cancer Research, as well as advocacy in Washington, DC, granting 'Wishes', delivering toys, holding in-patient hospital parties, and bringing Hope, Joy, Happiness and Smiles to the littlest Heroes battling Childhood Cancer. They are also celebrating the 5 year Anniversary of The [Heroes Hangout](#), a Childhood Cancer Haven located in North Miami Beach that supports children and their families battling cancer throughout all of South Florida. It is the Foundation's mission to keep children battling cancer as happy as possible as they search for a cure for all childhood cancers.
