

Gregg Mele takes on Robert Menendez in 2024 US Senate Race in NJ

Gregg Mele has been endorsed by Republicans as the only anti-corruption candidate for US Senate in NJ

CLARK, NJ, USA, June 29, 2023 /EINPresswire.com/ -- Gregg Mele has been endorsed by Republicans as the only anti-corruption candidate for US Senate in NJ and will challenge incumbent Robert Menendez, as he works to move the State, and the Country, forward.

Gregg Mele will represent NJ in an ethical and transparent manner in contrast to the incumbent who was indicted (US District Court, District of New Jersey Case 15 CR 155) and tried (UNITED STATES of America, v. Robert MENENDEZ and Salomon Melgen, Defendants 08-31-2017) by the US Attorney's office and is currently under investigation by the US Attorney's Office, Southern District of NY (as confirmed and reported by the Senator's office on October 26, 2022.) It is time to retire a 30 year career politician and put the governing of our country back in the hands of the citizens. Mr. Mele is unafraid to confront corruption and take it to task. Gregg Mele will represent the citizens of NJ and the United States with honor, integrity, and transparency.
