"We are thrilled to announce our exclusive services for artists, furniture and lighting designers, and custom projects for architects and interior designers. This marks a significant step forward in our mission to provide the highest level of craftsmanship and support to the creative community." ~ Brett Barney CEO

With this expansion, AFA aims to become a premier destination for artists seeking to transform their ideas into tangible works of art. By offering a comprehensive range of services, including bronze and aluminum casting, fabrication, molding, and finishing, AFA empowers artists to fully realize their artistic concepts while maintaining the utmost attention to detail and quality.

Furthermore, furniture and lighting designers can now take advantage of AFA's exceptional craftsmanship and expertise to bring their innovative designs to life. AFA's team of skilled

artisans, combined with state-of-the-art technology, enables designers to create unique, custom-made pieces that showcase their distinct style and craftsmanship.

Architects and interior designers will also benefit from AFA's expanded services, as the foundry will now undertake custom projects tailored to their specific needs. Whether it's a [large-scale installation](#) or a bespoke element for a luxury space, AFA's team of experienced professionals is dedicated to executing projects with precision and artistry.
