Highly acclaimed, where's what Plan A Architecture had to say about Lanteigne, “We immediately connected on a creative level and knew he was someone who was not only well versed in the technical and creative levels, but his enthusiasm was contagious. We have since teamed up with Robert on several projects worldwide in which his skills in lighting design, audio/visual, and control systems have taken them to a higher level – way beyond our expectations. He is a true professional who is loved by clients and highly respected by electricians and contractors on the job site, which is key to a successful [project](#).”

"I have a deep passion for creating exquisite, delightful, and functional lighting and I bring my passion to all of our projects, whether it's a large-scale project with tight deadlines or a smaller custom fixture. I'm fortunate that my team is dedicated and shares in my passion for this illuminating field," said Lanteigne.
