

# New pre-teen book celebrates the wisdom that is passed down from generation to generation

*With help from her grandmother's guidance, Alijah learns valuable life lessons in Alijah XII*

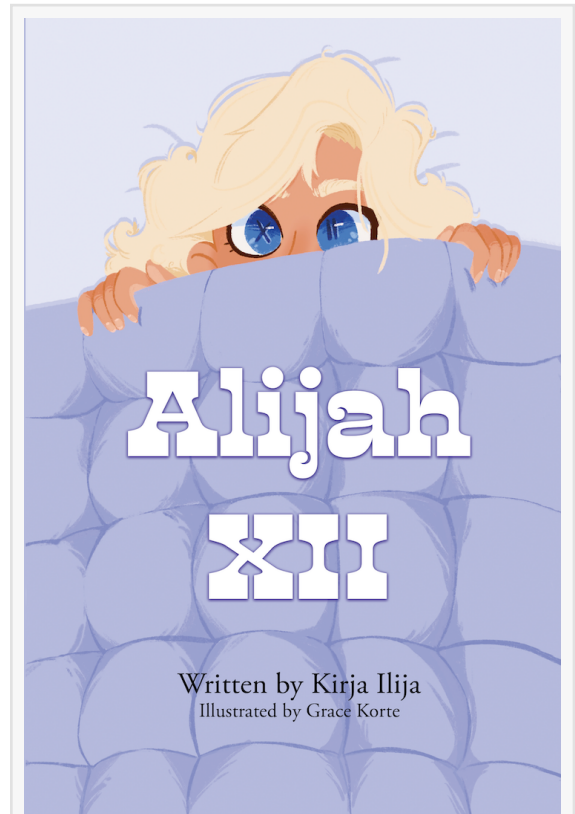

PLYMOUTH, MASSACHUSETTS, USA, July 7, 2023 /EINPresswire.com/ -- Briley & Baxter Publications is proud to announce the release of Alijah XII written by Kirja Ilija and illustrated by teen artist Grace Korte, available on July 11, 2023, at Barnes & Noble, [Amazon](#) and other online retailers. This is the first book in a planned series.

On Alijah's twelfth birthday, she joins her loving grandmother, Meema, for an outdoor adventure. Alijah learns valuable life lessons that help her prepare for young adulthood, thanks to her grandmother's stories. No longer a child, but not quite a teenager, Alijah embraces the new beginning and responsibilities that come with turning 12.

"It is important that our children have support to help guide them through difficult life challenges," said Ilija. "Alijah provides readers with a happy, safe and positive story about a girl turning 12 and the related responsibilities expected of her in her own unique family. It provides guidance to kids on how to successfully navigate different opinions, cultures and conflicts."

Ilija was inspired by similar conversations she had with her own grandmother, and later with her children and grandchildren. Passing down wisdom from generation to generation should be celebrated and encouraged in every family. Alijah XII is the perfect book for pre-teens who are looking for stories that will support healthy development.
