Reports And Data

Top Profiled Companies in the Global Adult Diapers Market Report:

Attends Healthcare Products, Inc., DSG International, Abena A/S, Kimberly-Clark Corporation, Principle Business Enterprises, Inc., Unique Wellness, Linette, Chiaus (Fujian) Industrial Development Co., Ltd., ChoiceShops Limited, and Vora Global.

Further key findings from the report suggest

- Fecal incontinence is another most vital reason behind the demand for the diapers amongst the adults. One of the most common problem among the elderly people is the bladder leakage,

the reason behind which is majorly attributed to a weakened bladder & pelvic muscles.

- High demand for the overnight and disposable adult diapers due to its long operational efficiency with light-weight & safety features, augmenting the adult diapers market highly.
- The disposable diaper is growing with the fastest growth rate of 12.3% throughout the forecast period. Enormous convenience & facilities of the disposable diapers over its counterpart make it highly appreciable by many elderly retired adults and working professionals.
- A variety of major competitors in the sector are investing in eco-friendly and high strength goods for research and development. Several companies have also consolidated their activities around the value chain to improve productivity and improve customer experience.
- In September 2018, One of the most leading hygiene products manufacturing company, Unicharm Corporation has signed an agreement to acquire maximum shares of DSG (Cayman) Limited. DSGCL is the holding company under DSG International, which is a leading manufacturer of the adult diapers and other absorbent products in Asia.
