

AGC Georgia Announces Winners of Prestigious Build Georgia Awards

Awards recognize Georgia firms for outstanding achievements in construction excellence

ATLANTA, GA, UNITED STATES, June 26, 2023 /EINPresswire.com/ -- The Associated General Contractors of Georgia (AGC Georgia) is proud to recognize member construction firms for outstanding achievements in 2022. The prestigious Build Georgia Awards honor the talented individuals who make up the state's thriving construction industry.

General Contractor First Place Projects

“

These projects and firms share a commitment to demonstrating construction excellence and are the best the construction industry has to offer.”

AGC Georgia CEO Mike Dunham

“These projects and firms share a commitment to demonstrating construction excellence and are the best the construction industry has to offer,” AGC Georgia CEO Mike Dunham said. “We are incredibly proud to honor these general contractors and specialty contractors for their commitment to continuing the proud standard of construction excellence in our state.”

To be recognized, construction firms submitted notable projects to be judged on criteria including safety, innovation, dedication and excellence in project management. The Awards are categorized into a variety of divisions and subcategories, such as project delivery

method (design-bid-build, design/build, and construction management at risk) firm size, project size and new construction versus renovation and interior buildout. All nominated and winning projects were completed in Georgia during the 2022 calendar year.
