

# Florida Security D License – Announcing Live Instructor Online Training Coming Soon in 2023

*As a Florida DS school (DS License 3000086), NITA will soon offer Live Instructor online training for Florida Security Officers.*

ORLANDO, FL, UNITED STATES, June 28, 2023 /EINPresswire.com/ -- Orlando, FL — As a Florida DS school (DS License 3000086), [NITA](#) will soon offer Live Instructor [online training](#) for Florida Security Officers.

It is expected that the Florida Department of Agriculture & Consumer Services will authorize the [Security D](#) live instructor online training as set forth in Florida Administrative Code 5N-1.140 in the coming months.

“

Our training will be much more than a live classroom stream and we will offer the opportunity to engage with NITA's instructors online in real time for enhanced learning.”

*Sandra von Eschenbach,  
Executive Vice President*

As required by Florida Statute 493.6303, an applicant for the Florida Security D license must successfully complete a minimum of 40 hours of professional training at an approved training school. NITA's online digital platform surpasses all State requirements and will be hosted by a live online instructor using an interactive web-based platform.

As per the guidelines set forth within the Florida Administrative Code, topics will include:

- Security legal aspects and F.S. 493
- Role of Private Security and Officer Conduct
- Communication Principles and Report Writing
- Access Control, Patrol, and Physical Security
- Safeguarding Information
- Interviewing, Emergency Preparations, Safety, and First Aid

- Terrorism, Event Security
- Special Issues for Security
- AND so much more...

“We are excited to soon host an interactive web-based option for Security Officers in Florida! Our training will be much more than a live classroom stream and we will offer the opportunity to engage with NITA’s instructors online in real time for enhanced learning. The Florida Security D 40-hour training has, by law, always been offered through a traditional classroom setting. With recent changes to the Florida Administrative Code, we are thrilled that we can soon offer this training via a live instructor online offering,” said Sandra von Eschenbach, Executive Vice President of NITA.
