Clare | Matrix, a remarkable organization dedicated to transforming the lives of individuals and families affected by alcohol, substance use, and behavioral health issues, provides proven and effective treatment, education, research, and training. The event served as a platform to support the participants and highlight the impactful work of Clare | Matrix.

“

The women's empowerment event allowed us to come together, support one another, and foster a sense of strength and resilience.”

Karina Lallande, 2023 LATLC President

Women volunteers from LATLC joined the women residing at the Clare | Matrix residential facilities in Santa Monica for a day filled with empowerment activities. Two groups were formed simultaneously, with one participating in a self-

defense class and the other creating vision boards. The groups then switched, ensuring everyone had the opportunity to engage in both activities and share in the empowering experience.

LATLC President, Karina Lallande, expressed her enthusiasm about the event, stating, "We are

honored to collaborate with Clare | Matrix and contribute to this meaningful cause. The women's empowerment event allowed us to come together, support one another, and foster a sense of strength and resilience. It was truly inspiring to witness the positive impact we can create when we unite for a common purpose."

The event took place at Clover Park, located at 2600 Ocean Park (Area #1), Santa Monica 90405, from 10:00 AM to 2:45 PM. In addition to the engaging activities, LATLC also provided lunch to both the residents and volunteers, further fostering a sense of community and solidarity.

Clare | Matrix, formed by the merger of CLARE Foundation and The Matrix Institute on Addictions in 2018, brings together over 80 years of combined experience in the field of recovery from substance use. Their comprehensive approach combines 24-hour residential treatment and a range of outpatient programs that integrate the Twelve Step principles, The Matrix Model, and other evidence-based approaches tailored to each person's unique needs and circumstances.

LATLC has been a staunch supporter of Clare | Matrix since 2021, and this event marked their first live, outdoor event (following a virtual event in 2021 and an in-person, indoor event in 2022). By combining their resources and expertise, both organizations aim to amplify their impact and contribute to the well-being and empowerment of women in the community.
