BLACKWELL, OKLAHOMA, UNITED STATES, June 27, 2023 /EINPresswire.com/ -- Susy Smith is set to captivate readers once again with her highly anticipated novel, *Ascendant*, the second book in the "Asylum" series, scheduled for release on August 8, 2023.

Packed with adventure and suspense and blending elements of science fiction, fantasy, and dystopia, *Ascendant* transports readers to a disintegrated world where civilization has collapsed, and chaos is the new normal.

Smith says, "Book 2, *Ascendant*, is more intense. I'm curious what readers will say because of where Lacy ends up. And what happens to Jace leaves a mark on your soul. It's about what people have to go through to survive, and its aftermath."

With her previous work garnering rave reviews and a devoted readership, *Ascendant* is poised to become a must-read for fans seeking an enthralling escape into a fast-paced dystopian world.
