

Aspire Systems and Temenos strengthen partnership to implement digital banking solutions globally

GLOBAL, June 28, 2023 /EINPresswire.com/ -- [Aspire Systems](#) a globally renowned technology company and a longstanding partner of [Temenos](#), has announced it has deepened its partnership with Temenos and it is now the preferred global implementation partner for Temenos [digital banking](#) solutions.

With a wealth of experience and expertise in implementing Temenos digital banking solutions across diverse banking segments and geographies, Aspire Systems has played a pioneering role as a digital banking partner for Temenos. This agreement underscores the deep understanding and proficiency that Aspire Systems brings to the implementation of Temenos' digital banking solutions.

Suresh Ranganathan, Vice President, Global Head of Banking Business Unit & Temenos Partnership said "Temenos has been instrumental in helping us rapidly expand our banking and financial services offerings. This multi-year partnership agreement is a testament to our in-depth understanding of Temenos digital banking solutions, as demonstrated by successful implementations in over 50 banks worldwide. Our Digital Banking Center of Excellence comprises over 300 Temenos experts, who are dedicated to supporting banks worldwide in their digital transformation journey."

Ross Mallace, Executive Vice President, Global Head of SaaS and Partner Ecosystem: "Both Temenos and Aspire Systems are excited about this agreement and the opportunities it presents for delivering cutting-edge digital solutions to banks and financial institutions worldwide.

Temenos digital banking solution is the world's best-selling digital banking platform used by over 850 financial institutions, from global tier one banks to digital challengers."

Since the inception of the partnership, Aspire Systems has consistently been at the forefront of Temenos digital banking implementations. The agreement with Temenos holds immense potential to create value for banks and financial services companies globally.
