# Over 560 Startups in Singapore Recognized in HackerNoon's "Startups of the Year 2023"

*HackerNoon, the techn publishing platform, is pleased to announce the nominees for Startups of the Year, featuring the most innovative companies in Singapore.*

SINGAPORE, June 30, 2023 /EINPresswire.com/ -- HackerNoon, the independent technology publishing platform, is pleased to announce the nominees for its annual "Startups of the Year" awards, featuring the most promising and innovative companies in the Singapore startup ecosystem.

Startups of the Year 2023

Startups of the Year 2023 is a community-driven voting platform that recognizes startups that are changing technology and the world for the better.

> " 
> We are thrilled to recognize the top startups in Berlin and celebrate their achievements. Starting and sustaining a company is difficult. We're honored to showcase their work and impact."
> *David Smooke, HackerNoon Founder & CEO*

Starting May 8th, 2023, the internet can nominate and vote for the best ventures in their city. The voting period will remain open until December 31, 2023, and winners will be announced in January 2024 after a comprehensive evaluation by the HackerNoon team.

In its previous iteration, a total of 44,427 startups were nominated in 16 different regions, and the community cast 234,344 votes during a 6-month long campaign in favor of budding companies that were growing and trending across every major city in the world. The 1,382 winners received perks from sponsors and a free tech company news page from HackerNoon.

As a proponent of the open data movement, HackerNoon releases the unique social data gathered from Startups of the Year on GitHub as "/where-startups-trend" for valuable insights.
The list, compiled by the HackerNoon team, showcases 561 startups that are making significant contributions to the Singapore economy and driving innovation in their respective industries.

The Startups in Singapore nominated for Startups of the Year 2023 include:

Apart from validation from the world's greenest tech publication, all nominees get free interviews relevant to their domain, region, and funding. They will also receive an amazing

discount package designed for their startup and a free version of their very own Tech Company News Page on HackerNoon. These pages include business overviews (such as head count, founding year, bio, social links, and domain ranking) coupled with dynamic updates every time the company is mentioned in HackerNoon stories or relevant headlines around the web.

People can nominate their favorite startups and vote once per day per award for who they think should be Startup of the Year all the way up to December 31st.

In addition to the award itself, winners receive exclusive interviews, an exclusive NFT from HackerNoon, and a .Tech Domain for life.
