

'KAIS - Abduction' wins Best Music Video - 'Award of Prestige' - at the Vegas Movie Awards™

Vegas, Nevada, June 13th 2023 - The Music Video 'Abduction' is the winner of the prestigious Las Vegas Movie Awards™ for Best Music Video, Award of Prestige

LAS VEGAS, NEVADA, UNITED STATES, June 28, 2023 /EINPresswire.com/ -- 'KAIS - Abduction' tells the story of the incapacitation that stems from the fear of being seen by the other in partnership, leaving whole landscapes within either soul undiscovered, un-lived, 'abducted' by fear. 'Abduction' weighs on the importance of taking things slow to better gain one's bearings and navigate obstacles from a place of heart.

'Abduction' (Official Music Video) was musically written and produced by KAIS at Hot Soap Studios, after which the video was conceived by KAIS and Lefteris Eleftheriou, and then produced, directed by Lefteris Eleftheriou. KAIS is a Canadian singer-songwriter, multi-instrumentalist and producer who takes the complexities of the human condition as inspiration for his fusionist sound that sonically melds the realms of neo soul, mellow-alternative blues rock and folk. As the outset of his career, he addressed global topics before turning his

attention to the drab difficulties of and profound beauty of being human and lyrically dipped into meta poetry.

Lefteris Savva Eleftheriou (Director / Producer) began working in the British film industry in 2011. After having crewed on six feature films as well as numerous short films, one of which, *Stutterer*, won the 2016 Oscar for Best Short Film, he returned to Cyprus in 2017 where he spent 4 years working for various TV series. He has been directing music videos since 2020.
