

Mini Mall Storage Introduce 2nd Month Free Offer On Select Self Storage Units, Including Drive Up And Climate Control Options, In Longs, South Carolina

Nation-wide storage company Mini Mall Storage has recently introduced a 2nd month free offer on select self storage units, including drive up, climate control options, and uncovered parking for boats, cars, and RVs in Longs, South Carolina.

Conveniently located on Highway 9 East just a block north of State Highway 57 S, customers will find Mini Mall Storage's Longs storage facility next door to Little River Deli and Conway National Bank. The company's easily accessible location on the western side of the town allows those living or working in the surrounding areas of Wampee, North Myrtle Beach, Little River, and Briarcliffe Acres an opportunity for reliable and affordable storage options.

"Whether you want to store a couple of boxes or a roomful of furniture, Mini Mall Storage has a storage unit for you," said a spokesperson from Mini Mall Storage. "With a range of unit sizes available and flexible month-to-month leasing, you'll be sure to find the perfect storage solution on your own terms. Drop by our Longs storage facility or give our team a call to reserve your unit today!"

The storage units available at Mini Mall Storage's Longs, South Carolina location come in a variety of sizes to meet the needs of every renter. Some of those sizes include:

5' x10' storage units

This storage unit size is popular because of its versatility and functionality. Mini Mall Storage's 5x10, 50-square-foot spaces are about the size of a large shed and great for holding various items from a small apartment or all the furnishings of a bedroom or office.

These are ideal for:

Mattress sets, dressers, and coffee tables

Artwork, musical instruments, and mid-size electronics

10' x 10' storage units

This storage unit is not too big, not too small, but just right for bulky furniture or equipment. The 10x10, 100-square-foot space is about the size of half of a standard garage and can fit the contents of a one-bedroom home.

These are ideal for:

Household furniture such as sofas, tables, dressers, mattress sets, and coffee or bedside tables

Electronics and musical instruments

10' x 30' storage units

This storage unit is about the size of a large garage for customers seeking a major space

solution. At 10×30, 300-square-foot, this space offers enough room to fit the contents of a four- or five-bedroom home.

These are ideal for:

Items that aren't easily boxed up

Large household furniture such as sectional sofas, entertainment centers, and mattress and dining sets

Mini Mall Storage offers a selection of climate controlled storage units that are designed to keep storage units at a steady temperature all year around to protect customers' belongings from the extreme heat of South Carolina. This controlled environment is perfect for storing temperature-sensitive items like family heirlooms, wooden furniture, electronics, and photographs.

The company additionally provides month-to-month outdoor vehicle storage in Longs, SC, that is available in multiple sizes to give customers maximum convenience for storing their large boats or Class A RVs in a safe and secure location.
