ST. CLAIR SHORES, MICHIGAN, UNITED STATES, June 30, 2023

/EINPresswire.com/ -- Jewelry has long been treasured for its aesthetic allure and sentimental value. In recent years, there's been a growing trend to imbue such precious objects with deeper, more personal meaning. Renowned jeweler, [Michael Agnello](#), has added a unique twist to this trend with his latest creation: the Tennyson Heart Necklace.

This beautifully crafted 14-karat gold pendant, designed by Michael Agnello and inspired by a Metro Detroit resident named Judy, celebrates the profound bonds of love and friendship. The heart-shaped pendant is intentionally designed with a missing piece, symbolizing the profound space left in one's heart by a loved one's passing.

The Tennyson Heart is named after famed poet Alfred Lord Tennyson, who famously wrote 'Tis better to have loved and lost than never to have loved at all.' Like Tennyson's enduring themes of courage, spirituality, and the power of persevering through grief, this necklace allows the wearer to celebrate and honor the love they had,
