Teenage Head Music is a European booking agency established in 1998. Providing a full touring service for artists and bands, they support musical touring acts across the European continent.

Lead singer Clint Woolsey says, "We want to thank Teenage Head Music for giving us a shot to tour Europe for the first time! We have been running the roads here in the United States for several years now, and we could not be more excited to take this show across the pond." Stone

Senate continues to captivate audiences across the U.S., and the band is ready to take touring to the next level.

#### About Stone Senate

Stone Senate has been called “a heavier version of Lynyrd Skynyrd, crossed with The Allman Brothers Band.” While being mentioned in such a heady company is flattering, it is important to note the Stone Senate is most definitely not a retro act. They are taking what came naturally from their collective influences a step further and making a name for themselves in the world of modern country rock. With over 600 shows in the US over the last few years, their touring prowess has garnered them a solid fan base of country rock n roll lovers.

Stone Senate has toured with Bulletboys, Uli Jon Roth, Davisson Brothers Band, and Tantric, and direct support for bands such as Styx, Collective Soul, Jackyl, Cowboy Mouth, Saliva, Little Texas, Kenny Wayne Shepherd, Quiet Riot, Asleep at the Wheel, Lit, Alien Ant Farm, Tom Kiefer Band, Billy Gibbons and the BFG’s, Tim Montana, Uncle Kracker, Rehab, David Alan Coe, Whitford - St Holmes, David Lee Murphy, Davisson Brothers Band, Andy Ross, Mike Zito, John Micheal Montgomery, Eddie Montgomery, and Confederate Railroad, to name a few. The band is fronted by vocalist/ guitarist Clint Woolsey’s smoldering, soulful vocals and unmistakable stage presence. Meanwhile stage left and stage right are burning down with dual lead guitars/vocals of James Beau Edwards and Brother Ted Hennington. Add to that the bonded rhythm section of Kieran Cronley on bass and David “DZ” Zettler on drums/vocals, and you have caught lightning in a

bottle.
