SAINT PAUL, MINNESOTA, UNITED STATES, July 5, 2023 /

EINPresswire.com/ -- Drapery and Design Installations is thrilled to announce the launch of their professional window-covering installation service in the

Minneapolis/St. Paul Twin Cities Area. With a focus on exceptional craftsmanship and customer satisfaction, Drapery and Design Installations aims to help homeowners and window treatment specialists bring their vision to life with their expertise and precision work.

“

We are excited to bring our professional installation services to the Twin Cities Area, helping homeowners and window treatment specialists with all of their window covering installation needs.”

Gina - Owner

Window coverings play a pivotal role in enhancing the aesthetics, privacy, and light control of any space. The team at Drapery and Design Installations recognizes the importance of expert installation in achieving the desired results. They bring years of experience and a passion for detail to every project, ensuring flawless installations that exceed client expectations.

“At Drapery and Design Installations, we have the skills and experience behind us to tackle tricky installations and provide the right look and functionality for all your window

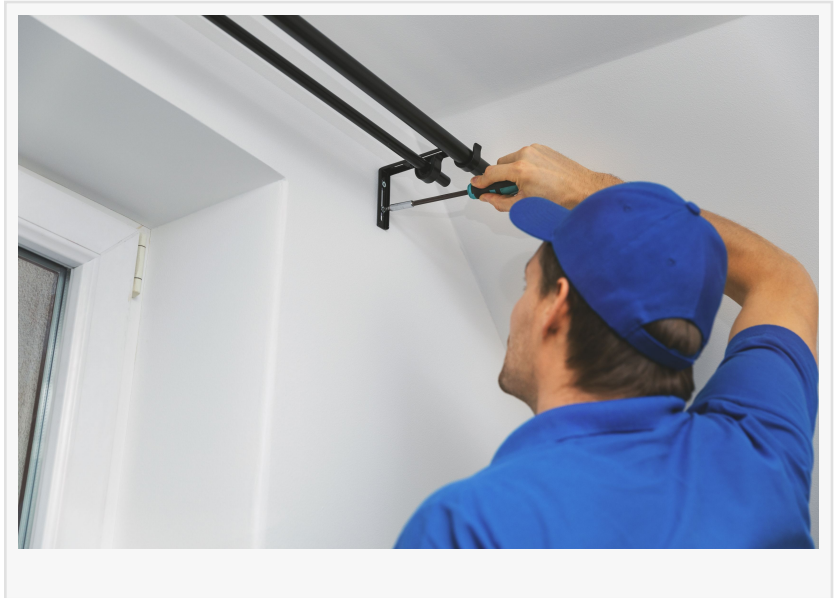

coverings. Designers and homeowners alike can put their trust in us to see their window covering vision come to life,” said Gina Wolleat, Owner at Drapery and Design Installations.

What sets Drapery and Design Installations apart is their commitment to excellence and personalized customer service. They understand that each client has unique installation and

functional requirements. By providing expert advice and customization options, such as [Decorative Drapery hardware selections](#), they ensure that every installation is tailored to the custom window coverings selected for their space.

The installation process at Drapery and Design Installations is seamless and professional. For those who are unsure of measurements, or hardware requirements, we offer on-site consultations and measuring services.

Our professionals will advise on product specifications that ensure a perfect fit so that window treatments can be ordered with confidence. Our team will then install the window coverings and needed hardware, with precision, ensuring they are secure, level, and aligned. The final result is a space transformed with elegance and sophistication and without a DIY nightmare.

Drapery and Design Installations invites homeowners and businesses specializing in window treatments to schedule their professional window-covering installations. They service the Minneapolis/St. Paul areas, and whether it's draperies, blinds, shades, top treatments, or shutters, their team of experienced installers are equipped to handle projects of any size or complexity.
