Christmas in July is an annual food drive in the summer that aims to help stock United Food Bank's shelves. Summer is the hardest time of the year for many individuals and families in Arizona. Kids are out of school, meaning parents have the added pressure of providing

more food. Temperatures rise, making electric bills higher- forcing families to make tough decisions like choosing between paying bills or paying for food. With your help, we will be able to continue to help our neighbors who struggle daily for food this summer. Because of you, meals will be delivered to senior citizens, fewer children will go to bed hungry, and many parents will worry less.
