LAS VEGAS , NEVADA , USA, July 1, 2023
/EINPresswire.com/ -- almost a month
ago, Women's Sports & Entertainment
Holdings company announced the
assets of their organization.

After spending a year and a half to
build the assets for the Company, 2

Time WNBA World Champion and 3X All-Star Tamecka Dixon declared her position as Co-Owner and VP of the Organization. Femconn Women's Sports & Entertainment Conference, slated for February 8th, 9th 10th, 2024, will be promoted by the company with the final night devoted to The Women's Sports & Entertainment Awards.

“

The company intends not only to create the most extensive support system for women's sports but also to offer additional financial possibilities to develop Women in Sports & Entertainment.”

Tamecka Dixon

Dixon is thrilled to start a new chapter in her life by building a home base location for her Corporation in Las Vegas, Nevada, and fighting for women's sports egalitarianism. Dixon said, “The company intends not only to create the most extensive support system for women's sports but also to offer additional financial possibilities to develop Women in Sports & Entertainment.” She further said, “Due to her previous experience in the WNBA and knowledge of the financial disparities the League had suffered, Dixon explained her desire to bid on the WNBA

Television Rights for 2025 as part of the programming for her new Women Sports & Entertainment Network launching during the Femconn conference in 2024.”

Before its official launch, WSEN Streaming Service received excellent attention and recently secured additional outside distribution partners. The network will be accessible through a downloadable app, Roku, Firestick, and will serve over 6 billion viewers in over 195 countries, including Pay-Per-View offerings.

The Women's Sports & Entertainment Awards exuberates award categories that will provide Women who deserve to be honored with the ability to win without being involved as a nominee against their male sports competitors in a co-ed Sports Awards event or the additional award event politics.

The WSEN Awards will focus exclusively on awarding Women in Sports & Entertainment. Dixon explains it as "I think we got it right this time!" The Women's Sports & Entertainment Holdings Company will also be building a Women's Sports & Entertainment Museum that will house the Women's Sports & Entertainment Awards Hall of Fame, as well as the Lifetime Achievement Awards Recipients.

The WSEN Awards are awarded to the Women in Sports & Entertainment, who not only overachieved in their sports or entertainment categories but who also fought for women's equality, social justice, and the advancement of Women in Business in a Male dominated industry.

So, who are the well-deserved Recipients? Congratulations all the Women of Sports & Entertainment Awards 2023
