

The Tech Capital launches Asia Finance Forum to connect the region's growing digital infrastructure investor communities

The Forum is set to take place in Jakarta on December 7, 2023, and will feature thought-provoking discussions, networking opportunities, and firsthand insights.

JAKARTA, INDONESIA, July 2, 2023 /EINPresswire.com/ -- The Tech Capital, a renowned digital media, reports and events industry leader, is announcing plans to expand into the Asia-Pacific (APAC) region. The expansion is marked by the introduction of the [Asia Finance Forum](#), or [IFF Asia](#), a regional version of the globally recognised International Finance Forum (IFF).

The Tech Capital Asia Finance Forum 2023

IFF Asia, which counts with the partnership of EdgeConneX, DigitalBridge and Structure Research from launch, is designed as a premier platform for business leaders, investors, and legal advisors within the blooming digital infrastructure ecosystem of the APAC region. This prestigious gathering, set to take place at The Langham on December 7, 2023, in the vibrant city of Jakarta, aims to provide attendees with in-depth insights into the digital infrastructure landscape of the continent.

“

The Asia Finance Forum promises a blend of thought-provoking discussions, networking opportunities, and firsthand insights into the latest industry trends.”

João Marques Lima, founder and editor-in-chief of The Tech Capital

As the digital landscape in the APAC region continues to flourish, the demand for a focused and insightful stage like IFF Asia has never been higher. With industries such as Content, Cloud, Networks, Gaming, Automotive, Software as a Service (SaaS), Internet of Things (IoT), High-

Performance Computing (HPC), and Security experiencing unprecedented growth, the Forum provides a much-needed space for industry leaders to explore opportunities, navigate

challenges, and ultimately, capitalize on the continent's digital infrastructure boom.

"The Asia Finance Forum promises a blend of thought-provoking discussions, networking opportunities, and firsthand insights into the latest industry trends," says João Marques Lima, founder and editor-in-chief of The Tech Capital, a Mondego Media Group brand.

"The event will host an array of industry experts who will share their knowledge and perspectives on various aspects of digital infrastructure, including data centres, fibre optics, cell towers, regulations, investment strategies, and more.
