

Jumbula to Release the First App-Oriented Platform in Online Registration and Payment Industry

Jumbula new app platform aims to optimize business operations for online registration and payment systems

SAN MATEO, CA, UNITED STATES, September 7, 2023 /EINPresswire.com/ -- Jumbula, a leading provider of [online registration and payment systems](#), is set to transform the online registration and payment industry by providing businesses access to a vast suite of dedicated apps and APIs at competitive price. Jumbula is aiming to become the engine and infrastructure for the online registration and payments industry with the introduction of its new app-oriented platform. The company's innovative solutions will provide critical features such as email and SMS campaigns, detailed reporting, scheduling tools, subscriptions and advanced payment processing systems. Jumbula all-in-one app platform aims to consolidate and simplify core registration and payment functions, allowing businesses and users to manage operations efficiently through a single centralized platform.

Jumbula, with its upcoming app-oriented platform, aims to emulate the success of Zoho, one of the world's leading CRM providers, Jumbula app-oriented platform aims to serve small and large companies worldwide and empower them to streamline their businesses while reducing operational expenses significantly.

Leveraging Jumbula API will eliminate the need for expensive custom-built solutions or multiple

Jumbula app-oriented platform coming soon
