exploration and innovation. An
industry pioneer, the Rollwalk team
consists of experienced product
managers and bold design engineers
who work tirelessly to push the
boundaries of technology and launch a
new era of electric skates.

Introducing the Rollwalk eRW3

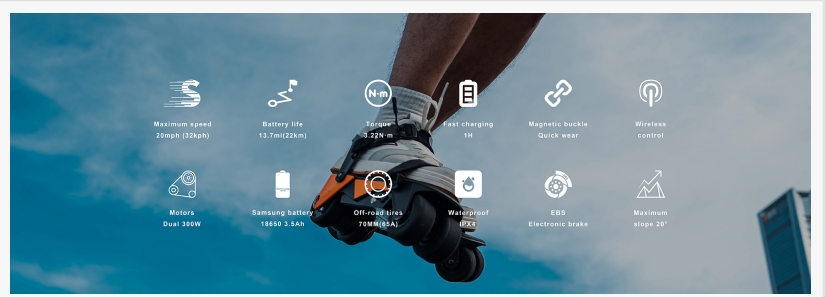

Rollwlak eRW3 electric roller skates

Rollwlak eRW3 electric roller skates Magnetic suction snap design

The Rollwalk eRW3 stands out for its exceptional performance. Equipped with an advanced electric drive system, riders can expect an exhilarating and dynamic skating experience. Rollwalk electric skates feature the perfect power solution system, powered by the mighty Samsung 18650 battery pack, enabling riders to travel up to 13.7 miles (22 km) on a single charge.

Rollwalk eRW3 electric roller skates product features

With two robust 300W motors reaching a peak power of 400W and 3.2N.M of torque, the eRW3 effortlessly tackles gradients of up to 20°, allowing riders to glide freely across any terrain. The high-strength 6061 aluminum alloy one-piece die-casting frame ensures stability and durability, providing a reliable and secure skating experience.

The eRW3 is also equipped with a 90W fast-charging capability, recharging in just one hour. With a quick 10-minute charge, riders can cover a distance of 5 km, eliminating concerns of running out of power during outings.

Easy Start, Ultimate Control

Rollwalk prioritizes control and balance in their E-skates. Incorporating cutting-edge balance technology and a responsive control system, riders effortlessly maneuver their skates with the wireless controls, effortlessly gliding over various terrains.

No matter who it is, the Rollwalk eRW3 provides unparalleled stability and control. With a short learning curve of approximately 15 minutes for experienced skaters and less than an hour for beginners, riders can quickly become acquainted with the eRW3 and experience the joy of effortless gliding.

Unmatched Comfort

Rollwalk places great emphasis on providing ultimate comfort to its users. The eRW3 features a fully ergonomic design, meticulously crafted with high-quality, premium materials to minimize friction between the foot and the electric roller skates. The combination of magnetic snaps and elastic Velcro ensures a secure and comfortable fit, allowing for easy and quick removal with just one second to open the magnetic snap. In Addition, the thoughtful anti-strangulation design relieves pressure and allows for long hours of comfortable skating shoes.

Embark Adventure with Rollwalk

Electric roller skates are an exhilarating experience and Rollwalk wants to explore them with

everyone and embark on an amazing journey of self-expression and liberation.
Unleash the unrestricted freedom of Rollwalk and embrace the joy of electric roller skating.
