United States Vinegar Market Trend

Vinegar contains the vitamins B-1 and riboflavin, which help to improve heart health and regulate belly fat and blood sugar levels. As a result, vinegar is a common ingredient in cleaning, medical, pest control, and personal care products. Because of the rising health consciousness among individuals about lifestyle diseases such as diabetes and high cholesterol, United States is currently one of the largest markets for vinegar.

Furthermore, the region's established food and beverage industry contributes to the market's growth. An increase in demand for organic products with antibacterial properties is also improving the overall sales in the region.

Key Market Players

The major players in the market are Fleischmann's Vinegar Company, Mizkan America, Inc., Kraft-Heinz, Inc (US), National Vinegar Company, Old Dutch Mustard Company, Reinhart Foods Ltd., and SSS Ingredients, LLC, among others. The report covers the market shares, capacities, plant turnarounds, expansions, investments and mergers and acquisitions, among other latest developments of these market players.
