commercial construction and remodeling, project management, building and ground maintenance, and IT services.

"Our whole business model is to be the Amazon of maintenance, construction, and IT," says Stevens. "We're fast and reliable. That's how I've positioned the company. Genesis 360's growth has been organic, with each new division added in response to a customer's need. We started painting lines in parking lots primarily for shopping centers, and an owner asked me if I could do other work, such as painting, removing signs, etc. I kept saying yes and exceeding their expectations."

The Facility Management Division for Genesis 360, LLC, provides innovative, turnkey facilities management services, from large-scale remodeling to minor repair and maintenance for organizations of every size locally and across the Gulf Coast. Services include grounds maintenance, lawn services, landscaping, fencing, pressure washing, concrete, welding, and parking lot maintenance. The company also has a Construction Division, Building Maintenance Division, Informational Technology Division, and Residential Division.

Baton Rouge-based Genesis 360, LLC, was awarded the U.S. Small Business Administration (SBA) Louisiana District's 2023 Veteran Small Business Champion of the Year. The SBA awarded Stevens the 2022 Small Business Person of the Year for Louisiana. Genesis 360, LLC, was honored as the 2022 SBA 8(a) Firm of the Year for Louisiana and the 2022 Company of the Year by the Baton Rouge Business Report in partnership with Junior Achievement. Genesis 360, LLC was also named one of INC 5000's fastest-growing companies in America in 2022.

The contract is for the lawncare, landscape maintenance and snow removal.
