

# Indian Stock Trader, Afzal Lokhandwala, Wins Prestigious USIC Trading Championship

INDIA, July 5, 2023 /EINPresswire.com/ -- Afzal Lokhandwala, an acclaimed stock trader who recently made history by becoming the first Indian to win the illustrious United States Investing Championship (USIC), has announced his mission to revolutionize global stock trading education. With over 700K followers on Twitter<sup>TM</sup>, Afzal is no stranger to the growing demand for high-quality trading education and mentorship. His groundbreaking trading system, coupled with his USIC victory, is set to make a significant impact in the stock trading industry.

The United States Investing Championship, often referred to as the Olympics of stock trading, is a real-money verified competition that has attracted legendary traders like Paul Tudor Jones, Louis Bacon, Mark Minervini, David Ryan, Dr. Edward O. Thorpe, Mark Strome, Doug Kass, Sheen Kassouf, and Marty Schwartz since its inception in 1983. In 2022, Afzal Lokhandwala claimed the championship with a record-breaking 447% return, attributing his success to his robust trading system.

Afzal Lokhandwala explains, "As a trader, I strongly believe that a robust trading system is the key to achieving success in the stock market. My trading system is not merely a set of rules dictating when and what to buy or sell. It encompasses every aspect of my trading routine, including what I do and when I do it, whether it's during market hours or after the market closes."

The seasoned trader is now committed to leveraging his expertise and platform to provide unparalleled trading education and mentorship for those looking to excel in the stock market. By sharing his unique insights and perspective on effective trading, Afzal Lokhandwala aims to empower a new generation of traders with the tools and knowledge needed to achieve financial

success.
