

# BOARD MEMBER MICHAEL AZARIAN, QRD AWARDED THE DCRO INSTITUTE CERTIFICATE IN CYBER RISK GOVERNANCE®

*Michael joins a highly select and distinguished group of board members who hold all three global credentials issued by the DCRO Institute.*

GLOBAL, ORGANIZATION, July 6, 2023 /EINPresswire.com/ -- The DCRO Institute, the world's leading source of risk governance training and credentials for board members and c-suite executives, announced today the award of the prestigious [Certificate in Cyber Risk Governance](#)<sup>SM</sup> to Michael Azarian of New York City.

“

Michael is demonstrating the commitment to continuous learning that is a hallmark of valuable board members, especially in areas of high impact like those these credentials cover.”

*David R. Koenig, President  
and CEO of The DCRO  
Institute*

Michael is a member of the board of directors at CXO Nexus, Inc., a company using artificial intelligence and machine learning to augment decision data. He also serves on the board of directors of Flushing Bank, where he chairs the Information Technology Committee and also serves as a member of the Audit, and Risk and Compliance Committees. He is the former Managing Director and CIO of Citi, and prior to his time with Citi served as Managing Director and Chief Technology Officer at JPMorgan Chase &

Co. Michael earned his MBA from St. John’s University and his undergraduate degree from Bloomfield College.

"Michael now joins a very select group of board members who have earned all three of our credentials – the [Certificate in Risk Governance](#)®, the Certificate in Cyber Risk Governance™ and the [Qualified Risk Director](#)® designation," said David R. Koenig, President and Chief Executive Officer of the DCRO Institute. "He is demonstrating the commitment to continuous learning that is a hallmark of valuable board members, especially in areas of high impact like those these credentials cover."

The Certificate in Cyber Risk Governance<sup>SM</sup> is awarded to those who have completed an extensive education program led by a global suite of board members, leading C-suite technology executives, law enforcement, and intelligence experts, all with deep knowledge of technology

and cyber. Candidate knowledge is validated by evaluation across all subjects covered.

“I highly recommend this course for all Board Directors committing to continuous learning,” said Mr. Azarian. “The lectures, content, and reference materials are highly relevant and provide an excellent foundation for the evolving Cyber Risk Governance landscape.”

The fundamental Duty of Care for directors around risk is to ensure that our organizations take risks well in pursuit of our goals and ambitions. This course furthers the fulfillment of that duty.
