

Highlights from Construction Links Network - July 6, 2023

The latest news and trends for the construction, building and design community

SUNDRE, ALBERTA, CANADA, July 6, 2023 /EINPresswire.com/ --

Construction Links Network is a unique news platform where members "Get More Eyes" on their digital content and increasing their SEO.

The network includes thousands of Canadian construction managers, contractors, developers, building managers, property managers, architects, designers, engineers, government officials and more.

Members use this platform to share and onboard their digital content on the Internet, through social media and our popular Round Up News Magazine. Ideal for product / service releases, company announcements, blogs, podcasts, webinars, case studies, videos and more.

Welcome to this edition of the Round Up News Magazine published by Construction Links Network.

Top videos this week include the PCL Ottawa team hoisting a 260,000 lb. truss into place at Porter Airlines' future maintenance hangar in Ottawa International Airport this past February.

The second top video is courtesy of Tridel who outline the highlights of their first-ever ESG report, "Building a Sustainable Future".

Content shares from members this week include:

content sharing - construction links network

- IAPMO makes Tentative Interim Amendment available for public comment
