

iRemedy Joins Securing America's Medicine and Supply (SAMS) Coalition

Collaboration Strengthens Efforts to Foster Transparency, Efficiency, and Fair Pricing in the Medical Supplies Market

STUART, FLORIDA, UNITED STATES, July 6, 2023 /EINPresswire.com/ -- The [iRemedy](#) Healthcare Companies, Inc. ("iRemedy" or "the Company"), a leader in medical supply chain solutions, announced today that it has become a member of Securing America's Medicine and Supply ([SAMS](#)). This partnership bolsters iRemedy's commitment to enhancing transparency, efficiency, and fair pricing in the medical supplies market.

SAMS, a coalition dedicated to safeguarding America's medicines and medical supplies, is devoted to advocating for integrity, fairness, and efficiency in the medical supply industry. As a new member, iRemedy will work in tandem with other stakeholders to confront challenges, share best practices, and drive innovation in the sector.

"The issues we're facing with our medical supply chain have escalated to a level of national security concern," said Tony Paquin, CEO of iRemedy. "Our partnership with SAMS represents a proactive approach to address these dire challenges. By leveraging our technology and industry expertise, we're committed to securing America's medical supply chain, ensuring healthcare providers and patients have reliable, timely access to essential supplies."

"We are so proud to partner with iRemedy. They have long recognized the need for America to strengthen our supply chains, especially for pharmaceuticals and medical devices. They performed life-saving work through Operation Warp Speed by bringing needles and syringes from abroad for the largest pandemic in a century. We look forward to showcasing their innovative approaches to the medical marketplace" said SAMS Founder, David Sanders.
