New Medical Billing and Coding AOS Degree Program at IntelliTec College
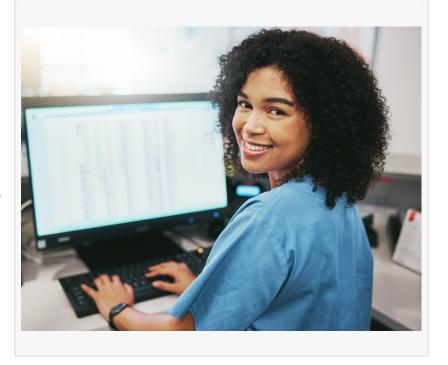

IntelliTec College - Albuquerque has announced a new Associate of Occupational Studies (AOS) Medical Billing and Coding degree program to begin 8/14/23.

ALBUQUERQUE, NEW MEXICO, USA, July 6, 2023 /EINPresswire.com/ -- IntelliTec College - Albuquerque has announced enrollment is now open for a new Medical Billing and Coding Associate of Occupational Studies (AOS) degree program, designed to be completed in as few as 18 months. The Healthcare Administration: Medical Billing and Coding AOS degree program begins in Albuquerque on 8/14/23.

IntelliTec College's mission is to "Build a better community through quality and excellence in career training." IntelliTec College - Albuquerque has added the Healthcare Administration: Medical Billing and Coding AOS degree program to help meet the need for administrative healthcare professionals in the Albuquerque, New Mexico area.

Medical Billing and Coding specialists are healthcare workers who provide important administrative healthcare services. IntelliTec College's Medical Billing and Coding program teaches

students the skills they need to begin entry-level positions in hospitals, physicians' offices, nursing care facilities, and in administrative and support services and professional, scientific, and technical services. Students learn medical terminology, comprehensive medical coding and billing procedures, current medical billing software, how to prepare and file insurance claims, how to analyze benefits, how to use Electronic Health Records (EHR) systems, and how to adhere to HIPAA laws.

The new Medical Billing and Coding AOS degree program is 92.50 credit hours and can be completed in as few as 18 months. Students must complete 18 weeks of General Education courses, including Introduction to Business, Business Communications, and American Government. All courses may be completed 100% online; on-campus support is also available.

Graduates of the Medical Billing and Coding AOS degree program receive a Healthcare Administration: Medical Billing and Coding Associate of Occupational Studies degree and are prepared to sit for the Certified Professional Coder (CPC-A) certification from the American Academy of Professional Coders (AAPC).

The new Medical and Billing Coding AOS degree program at IntelliTec College - Albuquerque begins 8/14/23. To learn more about IntelliTec College and the Healthcare Administration: Medical Billing and Coding AOS degree program visit https://intellitec.edu or call toll free 1-800-748-2282.
