

Mondial and Aclaros to Enhance Financial Reporting for Mid-Market ERP

Mondial Software and Aclaros teamed up to accelerate enhanced financial reporting for mid-market companies, users of the SAP Business 1 and other ERP systems.

BEDFORD, NEW HAMPSHIRE, UNITED STATES, July 7, 2023 / EINPresswire.com/ -- Mondial Software and aclaros today announced a new partnership to accelerate enhanced financial reporting for mid-market companies, including users of the SAP Business One and other ERP systems.

The two businesses will work together to support [Mondial's global financial reporting and compliance software platform](#), primarily for companies with multiple legal entities and distributed operations, who need a single system for management, group, and statutory financial reporting.

The Partnership Value

“Mondial’s product offers great value for companies who need consolidations and complex financial reporting”, ”

L. Bertus Jacobs, Managing Partner of Aclaros

[“Mondial’s product offers great value for companies who need consolidations and complex financial reporting”](#), said L. Bertus Jacobs, Managing Partner of aclaros. “Mondial meets the needs of businesses operating multiple entities or in multiple countries who need consolidated financials. In addition to its seamless integration with SAP Business One, Mondial can bring in financial data from most any ERP, eliminating the administrative burden of multi-currency conversion and consolidation in spreadsheets”.

Mondial and Aclaros partner to accelerate Financial Reporting and Consolidations for companies worldwide

“We’re delighted to be partnering with aclaros, an SAP Platinum Partner and one of the leading SAP Business One Partners serving small and mid-sized businesses globally”, said Mondial’s CEO Mark Richardson. “aclaros has a long track-record working with organizations to help them implement and get the most out of their ERP solutions – wherever they do business. Their understanding of the complex financial reporting and compliance needs of global companies makes them an excellent match for our firm.”
